## UPGRADED AND RED HOT

### NEW AND IMPROVED TECHNOLOGY MAKES THE DIFFERENCE

The Dux Prodigy range has been improved with larger, more efficient burner technology. In fact the Prodigy 4 range is now leading the way in recovery rates and first hour capacity of any 4 star gas storage water heater.

#### Range Features

- New burner technology means faster recover rates and more hot water when you need
- Identical footprint with existing 3 star gas storage unit, ensuring easy replacement
- Mains pressure hot water
- Cylinder insulated with robust foam for added durability
- No power point – hot water continues, even with no power
- Available in both natural gas and propane

#### Prodigy 4 star

- Market leading – in first hour capacity and recovery rates
- Now matches the first hour capacity of the old 3 star models
- 7 years tank warranty, 1 year parts and labour\*

#### Prodigy 5 star

- Easy installation, with water connections on both sides of the tank
- Patented flue damper design reduces heat loss
- 10 years tank warranty, 1 year parts and labour\*
